SHIT
You I Hate

Peggie,

The sweetest and most
"beautiful" girls whom I
have had the pleasure
of knowing. I have always
admired you and always
will if you keep you great
personality. Wish you the
best of luck that anyone
could have. Mostly with
Steve my dear friend.

Love ya!

VAN COURIER STAFF

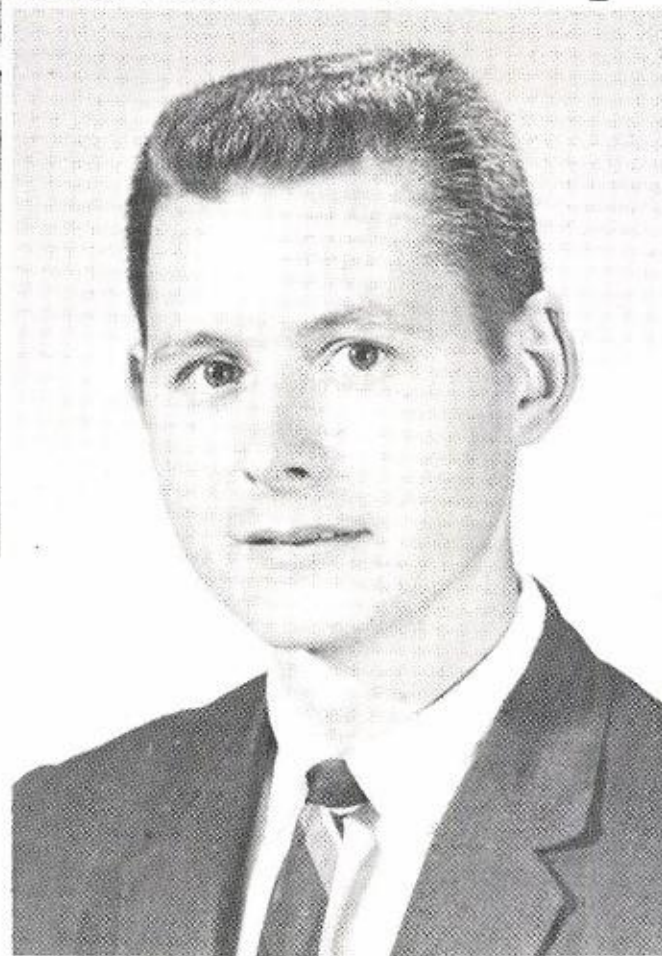

ADMINISTRATION

LEADERSHIP AND GUIDANCE

MR. HAROLD HOLSTEIN

Mr. Holstein, one of Van's outstanding faculty members, teaches classes in business mathematics in addition to his duties as school counselor.

We express our gratitude to a man who is our counselor, teacher, and friend.

Mrs. Gray, our school secretary, is better known to her friends as "Nickie". She has proven herself very efficient in the past years and has given invaluable service to our school.

At the present, Nickie's husband, Robert Gray, is stationed in Okinawa and each day she anxiously awaits mail call.

Recently he sent several gifts, which she treasures, such as a china dinner service and silver ware.

But the mail call Charlotte would prefer above all else is for Uncle Sam to return her "soldier boy" safe and sound.

MRS. CHARLOTTE GRAY

A MAN OF PURPOSE

Our principal, Mr. William W. Windon, looks upon each student as an individual. He takes time to help each one realize and develop himself.

It is in this endeavor, as in all other areas under his guidance, that Mr. Windon is a successful and respected principal.

Mr. Windon came to Van High School in 1964. Since that time his duties have grown to include planning the curriculum, and representing the school in different organizations.

We appreciate all the work he has done and the co-operation he has given our annual staff.

WILLIAM W. WINDON, JR., Principal

MAN OF ACTION

Much of the new equipment added to our school from 1965-67 has been the result of our principal taking advantage of the money made available under the Federal Elementary and Secondary Educational Act and the Vocational Act of 1963.

The much needed equipment includes a mimeograph, dictating and transcribing equipment, filmstrip and 16 mm sound projectors, science equipment, library books, and typewriters.

THIRTY YEARS CONTRIBUTED TO EDUCATION

ELLIS A. BRADLEY

To a man of great experience who has given thirty years of service to education in the Boone County Schools. He has taught twenty-nine years at Van High School and was principal at Wharton Junior High for one year.

Mr. Bradley, a native of Boone County, graduated from Scott High School, West Virginia University with an A. B. Degree and from Marshall University with an M. A. Degree.

He enjoys teaching as an instructor in our Commercial Department and has gained a reputation of par excellence in training students in secretarial and business courses.

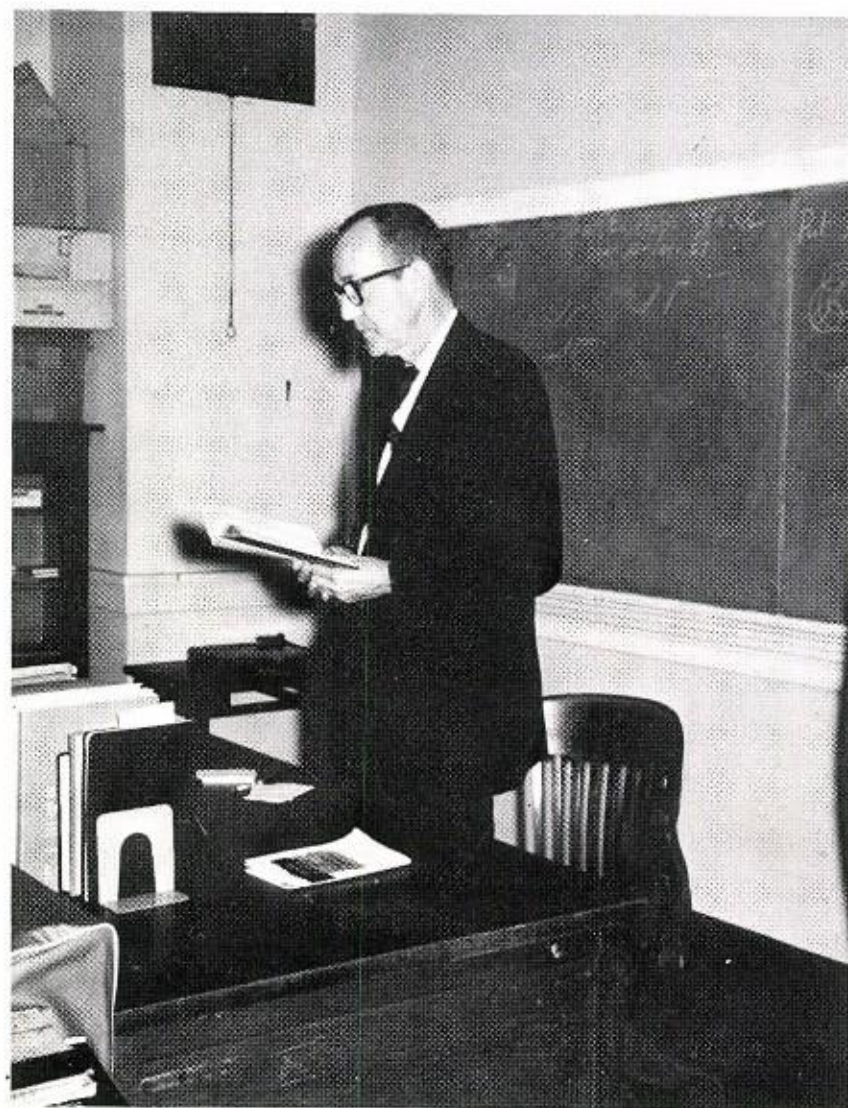

His many interests, other than teaching, include hunting and fishing, working in his well equipped workshop and enjoying the "out-of-doors" on his recently acquired farm near Lory, Boone County.

We the members of the Vancourier Staff are proud to dedicate this book to you, Mr. Ellis A. Bradley.

DEDICATION

"Who likes soap cake." Who said Mr. Bradley enjoyed cutting the tin can cake covered with soap flake icing made, by Miss Thompson, for the F. T. A. banquet?

Time to work and not to play. Mr. Bradley entering fifth period Shorthand II class, "Dear Sir ----"

IN MEMORIAM

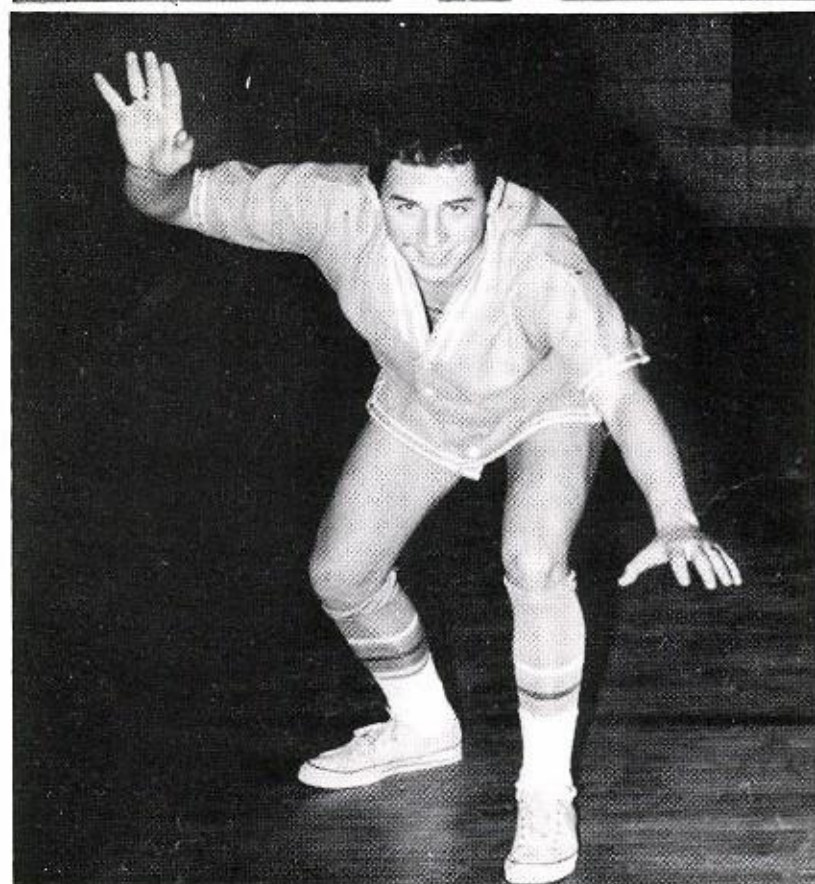

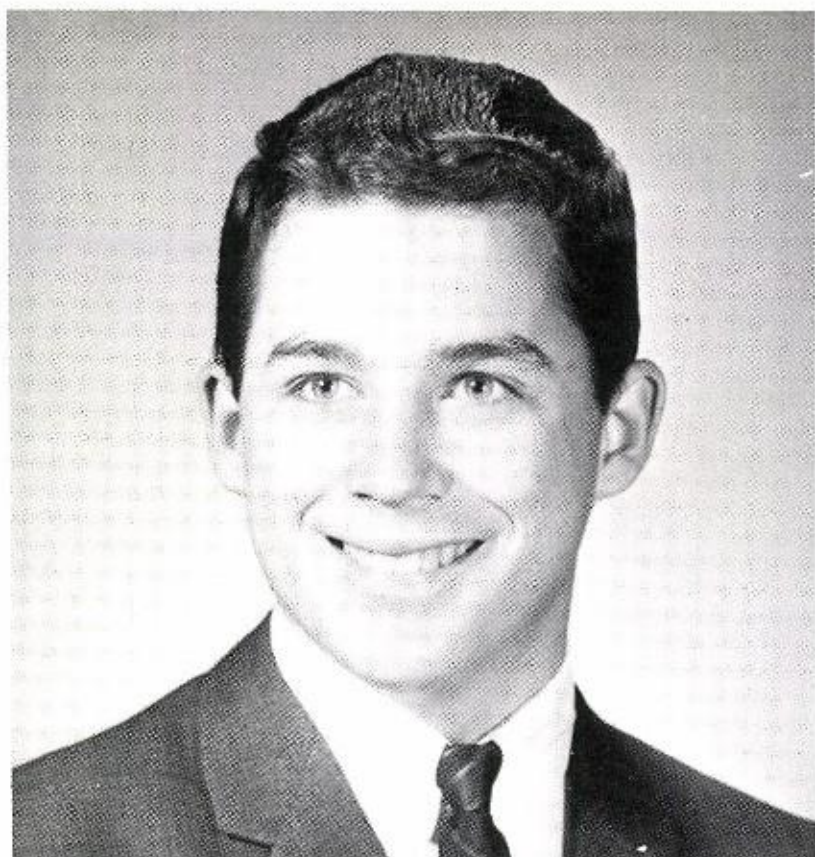

Anthony George (Tony) McGuire, born July 21, 1947 at Madison, West Virginia, was the son of Mr. and Mrs. George McGuire of Barrett, West Virginia. Tony had one sister, Ellen Annette.

At the time of his death, May 4, 1966, he was undergoing treatment at the Bethesda Institute of Health, Bethesda, Maryland.

Tony was a 1965 graduate of Van High School and participated in all school activities and was very popular with the entire student body and faculty.

We, the students of Van High School, will always remember Tony for his wonderful personality and ability to make everyone happy.

Death is only an old door
Set in a garden wall;
On gentle hinges it gives, at dusk
When the thrushes call.

POST SEASON HONORS

From the highly acclaimed 1966 football team came more honors after the regular season ended.

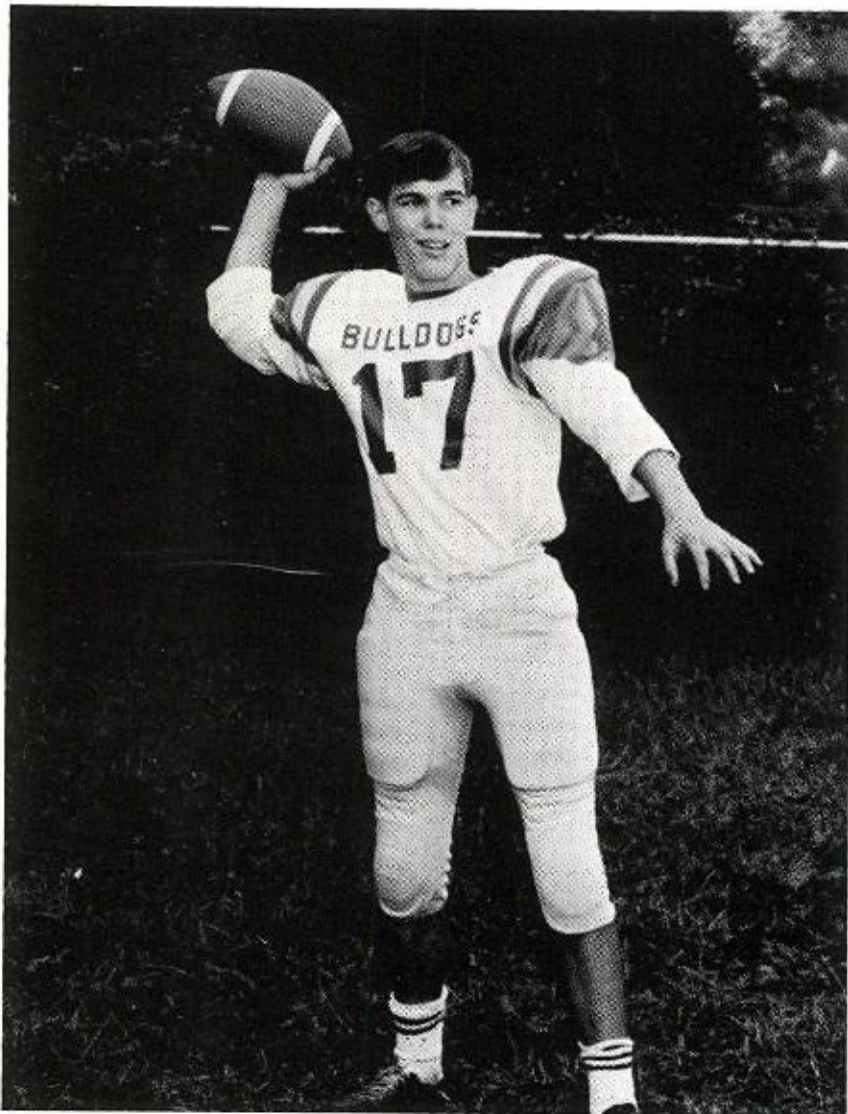

These three boys, by vote of coaches and sports writers throughout the state of West Virginia, received special recognition.

Charles Ellison, 5'8", 178 lb. senior, was placed on the 1966 "AA" Allstate Team as tackle. He is the first player from our school to receive such honor. Charles served as one of the Bulldogs tri-captains and led the team in tackles.

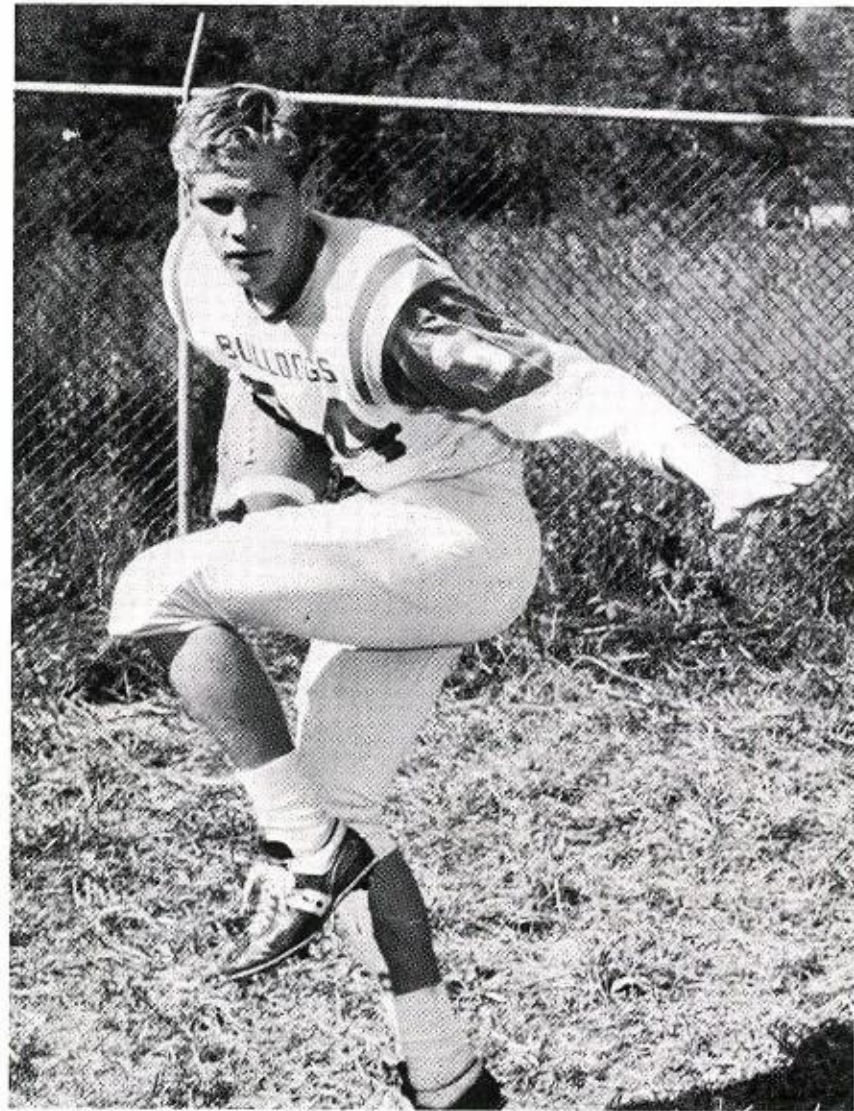

Kent Howell, 5'10 1/2", a senior halfback and Stephen Fleming, 6'0" junior quarterback, were given honorable mention for Allstate. Along with the other team members these two boys played a very important part in helping the Bulldogs complete an 8-2 record and to win the Boone County Championship.

THREE BIG REASONS proving that the desire to excel, the ability to achieve, and experience when combined into team effort brings rewarding results.

The Boone County Championship in football and baseball again has been won by Van, plus the fact that Van has gained it's first trophy in a sectional tournament in basketball. We are especially appreciative and proud of these achievements won by our athletic teams.

We challenge you to help our future teams attain even greater accomplishments by your loyal support, either as a fan or participant.

OUR TOP SCHOLAR

Glenna Jarrell - Salutatory
address, "Time for Decision"

To those of us who are graduating, this is an occasion that will remain unforgettable. We would be guilty of gross ingratitude if we failed to express the appreciation that we feel to the many people who have made our days in school possible.

Some may wonder why we have this period of graduation. It is our belief that graduation provides a definite point for the young person to pause and reflect. An old proverb tells us, "he that will not reflect is a ruined man".

As we graduate tonight we are glad that graduation will give us a period that can be given over to reflection before our life's work begins.

Shirley Holstein receiving the Honor
Student of the Year plaque.

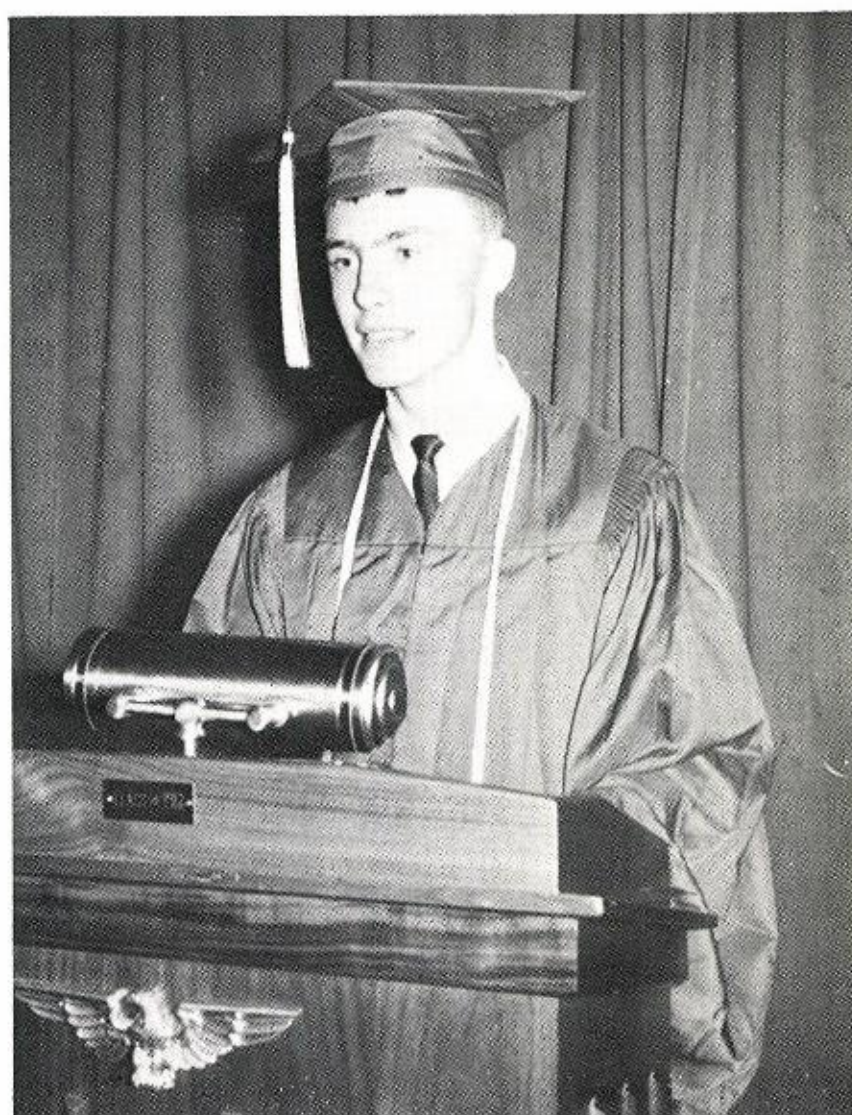

Ellis A. Bradley Citizenship Award
presented to Ranny Hyatt by Mr. Bradley.

WHOM WE ARE WELL PLEASED

Today we are asking ourselves the question, how can we help our country? Perhaps the greatest service we can perform is that of doing well the tasks that we may select to be our life's work.

The difficult road named WORK has no enticing signs or neon lights to guide the traveler. But as we leave this school and take our place in life we are well aware of the value of work. For hard work not only tends to give rest of body, but, what is even more important peace of mind.

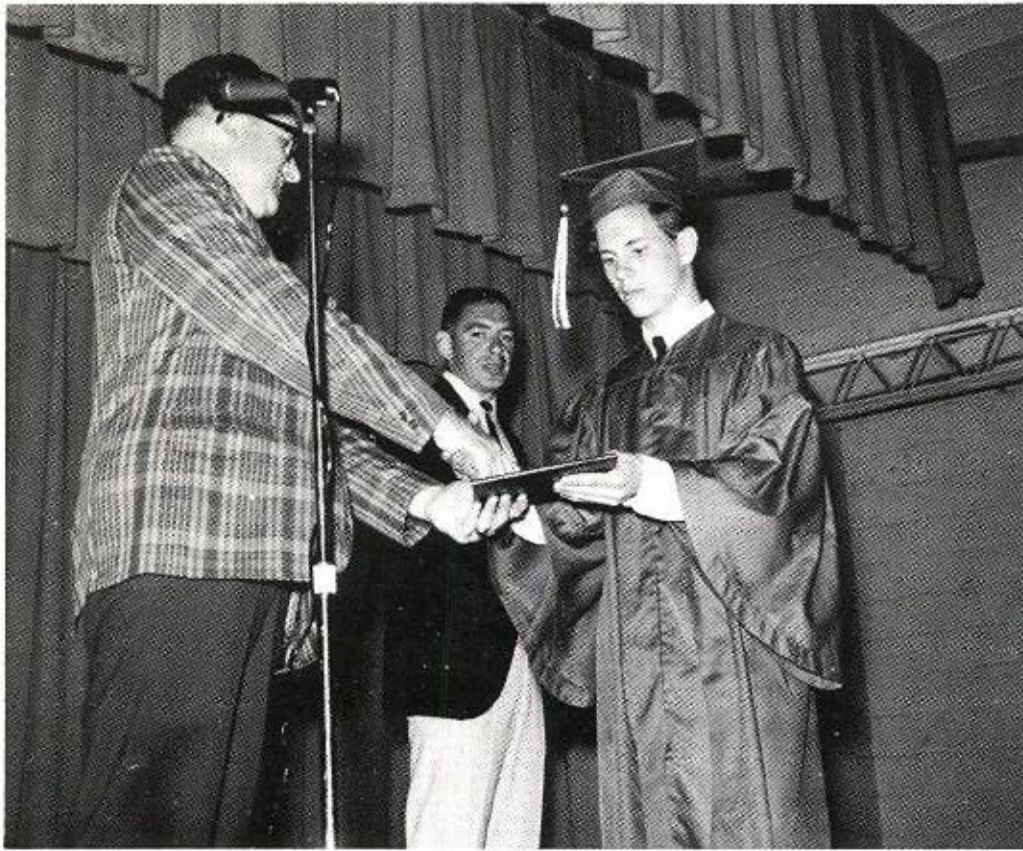

CLARENCE WALLER - Valedictory address, "Opportunity: Right to Work"

TIME WORTH WAITING FOR

EDUCATION — DOOR TO OPPORTUNITY

CECIL H. UNDERWOOD

At the Thirty Seventh Annual Commencement address, given to the graduating class on May 31, 1966, Mr. Underwood stressed the importance of OPPORTUNITY; opportunity for the graduate to work at the profession or job of his choice, and to serve his fellow-man as well as his country.

The speaker has been active in both the educational and political circles of our state. He was governor of West Virginia from 1956 to 1960.

CONGRATULATIONS TO THE CLASS OF "67"

THE MOON... and beyond!

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.
